WATER

6. Do you consider it reasonable for taxpayers to pay 100 per cent of the cost of assessing water licence and permit applications and if so, why?

Response: yes

Comments:

We use water to grow food

7. If water licence and permit assessment fees were introduced, what do you consider to be an appropriate fee for a water licence or permit application?

Comments:

None we paid for our Dams or Bores on our land *8. Would you consider a risk-based model for determining water licence and permit application fees to be appropriate? If not, what basis could the department use to structure fees?*

Response: no

Comments:

9. What would be the likely impact on your business or industry if water licence and permit fees were introduced?

Comments:

Just another Money grab from the farmers *10. If water licence and permit assessment fees were introduced, how could the collection of fees be timed to better support your business or industry? For example, would you benefit from paying fees up front, at the end of a licence assessment or annualised over the term of the licence?*

Response: unsure
